Autumn

*Autumn to many, the most splendid time of year
A colorful meaning that winter's near
All around us golden leaves are falling
A sign soon, for some warmer clothing
Yet ahead, there's many things to do
Before this year is finally through
Then we may look back and hopefully say
It may have been a turbulent year
Yet we made it anyway*

Faculty Development Institute

The Faculty Development Institute is a three-day institute that serves to develop and expand the number of skilled Lions faculty available for use in training at the club, district, and multiple district levels. The curriculum is designed to enhance training delivery skills and training techniques that will increase the quality of training and overall effectiveness of Lions leadership development programs. Starting in 2018-2019 the Faculty Development Institute's focus has changed to emphasize training delivery skills more and no longer includes sessions on curriculum development. Lions who complete the FDI are expected to be able to effectively deliver training sessions with provided materials.

The Faculty Development Institute held in Independence, MO. had eight Lions members attending from Missouri. Dr. Dwayne Garrett and PDG Greg Gilliam were involved in the training at this institute.

Become a Host Family

Is Hosting Right for Me?

Are you interested in learning about other cultures and ways of life while sharing your own customs and experiences? Are open-mindedness, tolerance and cultural competence of high importance to you? Do you have a desire to contribute towards peace, international understanding, and the creation of young global citizens? If you answered yes to any of these questions, you may enjoy being a host family for the Youth Camp and Exchange Program (YCE)!

Local excursions are not required of host families, but the

Become a Host Family

Empowering Clubs through the Power of Action

What is the GAT?

In the world of Lions there are three letters with the ability to significantly enhance your and your club's service impact: G. A. T. (Global Action Team). By now, you may have heard of the GAT, but maybe still don't fully understand exactly what it does or how it can make an impact on service outcomes. That's okay.

Simply put, the GAT is a global support team. It offers clubs and districts direct access to resources and tools from Lions International headquarters, so Lions can benefit from a wider network and, just maybe, accomplish a project they thought was out of reach.

You already know them

Each club president acts as the GAT chairperson for their club and each district governor acts as the GAT district chairperson. Do you have a big idea? Want to do something you aren't sure your club can accomplish alone? Talk to your GAT chairperson—your club president—and find out what resources LCI has to help.

Take a local project and turn it national

The power of the GAT is in the actions of many Lions working together. Through teamwork, big ideas can be brought to life, even if the club and its resources are small.

In Kenya, when the Ministry of Health made diabetes a national focus, GAT leaders saw an opportunity to expand the work Kenyan clubs were already doing to fight diabetes.

Lions leveraged professional expertise and partnerships with healthcare providers, Lions hospitals, and diabetes centers to provide comprehensive screenings, follow-up care and educational materials and resources to communities throughout Kenya.

With the help of the GAT, what began as Lions seizing an opportunity to meet community needs by providing diabetes education and care grew into a movement, serving nearly half a million people.

Activate the global Lion network

In Malaysia, Jayden, a young boy with a brain tumor was looking at a grim prognosis. His doctors in Malaysia, unable to provide the necessary sophisticated medical procedures needed to cure him, had almost given up hope after his initial treatments.

But then his parents heard about Lions.

GAT leaders from multiple countries arranged to meet at the international convention in Las Vegas, Nevada, to discuss how they could activate the global Lion network to help get Jayden treatment.

Less than a year since the initial meeting at convention, Jayden has been sent home cancer free.

Through the network that is the GAT, Lions from three nations came together to help get Jayden the treatment he so desperately needed to have a chance at life.

"This is a great example of how the GAT activated the global Lion-to-Lion network," says Global Action Team Chairperson, Past International President Kajit Habanananda. "Lions were able to reach across borders in service."

The Correct Lions Emblem

Promoting and protecting our Lions IMAGE with the public - please encourage all Lions to use the current LCI Logo, not the outdated one that was replaced more than ten years ago. A few of the easiest ways to recognize the correct branding requirements are:

- a) if the logo has a red tongue, it is the wrong logo,
- b) if the logo is not smooth across the top, it is the wrong logo, and
- c) if the I and the L in the word International are illegible, it is the wrong logo.

This message is from Lions Clubs International. Please check your literature, webpages, and all correspondence to make sure you have the correct logo.

The next issue of the Missouri Lion will be published in early February. (after the Council of Governors meeting and Mid-Winter Forum). The **deadline for articles** will be **February 1, 2020**. Please send all articles to PDG Ann Anderson at: Anderson@centurytel.net by the deadline date. Each issue will be posted on the Missouri Lions website also sent out via "molions". **Please see page 17 to see how to subscribe to "molions".**

The Missouri Lion is for ALL Lions in the state of Missouri. The main purpose of this newsletter is to get important information out to the Lions. It is published on the web-site (missourilions.org) and sent out via email to molions@freelists.org. IF you have not subscribed to "molions", it would be a real good idea. This list is not an email that is to be replied to, but just to generate information to all Lions. **To subscribe to MOLIONS, send an email to PDG J. Y. Miller at j.y.miller@sbcglobal.net and ask to be subscribed.** Many Lions have changed their email address and have not notified PDG J.Y. He has no way to correct your subscription when this happens.. If you do not receive posting on the list and wants to be subscribed, you should just send an email to PDG J. Y. and He will get you back on the list.

To help spread the news, it is suggested that each district send out to their distribution list of Lions. Please help us spread the good news around the great state of Missouri!
