Leader Dogs for the Blind Update

Phase 1 Complete, Phase 2 Underway and Phase 3 Starting Soon

By Rachelle Kniffen-LeaderDogs for the Blind

Update Issue 1-2016

Phase 1

↑ New exterior and interior masonry walls go up in the south wing.

↑ With just a few minor items to complete, we are checking this phase as "Complete."

For people driving past Leader Dog's campus, it looks like our new Canine Development Center is totally finished; but for those who venture to the back of the building, the fact that we are still mid-construction is very apparent. (See picture on the left above)

Phase 2

The new suites are more than two times larger than current kennels, so dogs will be able to cohabitate if desired.

This phase of the project includes the renovation of three villages in the south wing (one is complete and currently serving as material storage). The villages, which will house our dogs in training, will be outfitted with large living suites, multiple open air runs, and in-village grooming and enrichment areas.

A garage addition is included in this phase along with new duct work, a new air exchange system, and new electrical and plumbing.

Phase 3

Starting in Late March

The mild Michigan winter has helped keep construction on track, which puts us in a good position to start phase three on schedule. During this final phase, the interiors of the training bays in the east wing of the building will be demolished and rebuilt with more villages for our dogs in training.

← An artist's rendering of a completed village interior.

Grand Opening

Plans for official Canine Development Center opening events are already in the works. Dates will be announced in the next issue of Update, on our website and through several social media channels.

Update from Leader Chair District 26-M6

On a local note, FLD Masi returned to the LeaderDog Campus on February 8, 2016 to begin her journey as a LeaderDog In Training. Our house feels her absence, but FLD Fleming is trying to keep us busy. He is now 4 months old and has more energy than Masi, Betsy, and Chanel together. He recently enjoyed the M6 District Convention and would love to come visit your club anytime. Please contact us at Philx2@sbcglobal.net and we will set a date.

I sincerely appreciate all the donations to date for LeaderDogs, I received many at our District Convention. One thing I became aware of recently is that any donation of \$250 or more IS eligible for the purchase of a memorial brick that will be placed in the memorial walk on LeaderDog Campus. So, if your donation is \$250 or more, you can place 1 small brick. For a donation of \$500 or more, you can choose from 2- small bricks, or 1 large brick. Please contact me for more information, if interested. Personally, I love seeing all the bricks from M6 clubs when visiting the LeaderDog campus, reminding me of all the great support from southwest Missouri!

I am still hopeful that we can achieve the 100% District award this year. If you have not yet made your clubs contribution to LeaderDog for 2015-2016, there is still time to do so. To achieve 100% status for our District Governor Craig, every club in the district needs to make a donation to LeaderDog Operations fund of some amount, even \$1 per member would work! This would be a distinctive honor for our DG Craig to have the first 100% Award in the state of Missouri! I will be in contact with clubs who have not yet supported this mission.

The Canine Development Center project, as described above, is moving right along. Opportunities to become involved in that project and earn recognition for your club within the Center are still available. Please contact Lion Phil or myself at Philx2@sbcglobal.net for information regarding this too. If your club received a letter from Lion Sue Daniels, CEO of LeaderDogs for the Blind, please carefully consider her request. This project will impact the lives of the visually impaired for 40-50 years to come.

I am so happy to be able to serve as LeaderDog Chair for District M6. Thank you for your time and assistance in preparing the puppies for their very important work.

In Lionism,
Lion Phyllis Krebs

Mid-South Lions Sight and Hearing Service

President, Vice President, Board Members, and Trustees

Exactly what is the “Challenge: you ask? The officers of Mid-South Lions Sight and Hearing Services have calculated the funds needed to eliminate the waiting list at Mid-South; If each Lions Club could encourage their **members** to pledge a monthly donation of \$10 we would not have any patients waiting for service.

So here is the challenge: Club reward incentives are being developed for Lions Clubs who have a 25% level of members donating \$10/month or greater. Each donor Club will receive a level 1 incentive reward. Better yet, Lions Clubs with a 50% level of members’ participation will receive a level 2 incentive reward. Best of all Lions Clubs with 100% members donating \$10/month or greater will receive a top level incentive, a personal visit from CEO Lions Brad and the great satisfaction of knowing what a difference your participation can make.

Just think of the difference in the quality of life you could make for a patient who is losing their eyesight or hearing. A small pledge from many of our Lions across the four state areas could make a huge difference in almost eliminating the waiting time for corrective surgical procedures.

If you need additional information or forms please contact Mid-South at 930 Madison Ave Suite 101, Memphis, TN 38103 Phone 901-543-5466 888-546-6042 e-mail: info@midsouthlions.org

IT'S TIME ONCE AGAIN FOR

FREEDOM FROM BLINDNESS DAY

As the 4th of July holiday approaches it is the perfect time to remind Lions Clubs in Arkansas, Mississippi, Missouri and Tennessee it is time to do that extra fundraiser for this cause. If every Lions Club would do a specific fundraiser for **Freedom from Blindness** it would provide the needed funds to help those on the current waiting list. This is not intended to replace your regular Mid-South Lions Sight and Hearing Service contribution. Additional funds during the summer allow us to keep our waiting list down to a more manageable level.

Missouri Lions All State Band

Dear Fellow Lions:

Once again the Missouri Lions All-State Band needs your help either in sponsoring a student or to help share the expenses with other clubs in your district or zone.

Our trip this year will take the band to San Antonio, Texas. Band camp begins at Fort Leonard Wood on June 25th and concludes with a farewell concert on June 30th. We will then load our bus early the morning of July 1st and head to San Antonio. During the trip we will be making stops at various Veteran Homes, and World Service of the Blind. We will have a wonderful time learning about Lion Clubs, meeting students from all over the state, making new friends and making music together. We will return back to Fort Leonard Wood on July 8th. The cost of this camp and trip will be \$1,100.00 per student.

Please help us recruit as many students as you can by checking with your local band teachers, booster clubs, family and friends.

In addition, the band will play at the Missouri Lions Blue and Gold All-Star Football Game in Warrensburg on July 25, 2016.

We thank you for your support; past, present and future. You can contact your district band committee chair (if unsure on who this is, please ask your District Governor) or find us at www.missourilions.org, tab Lions in Action, click on 2016 All-State Band for your application.

Dear Lion President: LION LEADERS WEEKEND IS APRIL 15-16, 2016 IN MEMPHIS!

Please look over the enclosed 2016 Lion Leaders Weekend brochure. It has information about a weekend that will enhance the way your Club serves your community.

Not only will you see the state-of-the-art facilities utilized by your Mid-South Lions Sight And Hearing Service, but you will be able to discuss service projects, fundraisers, activities and events with Lions from Arkansas, Mississippi, Missouri and Tennessee.

This special weekend will include a command performance from comedy magician Brian Staron on Friday evening, and you'll hear from some of the world's most renowned ophthalmologists, and see some of the absolute latest technology during Saturday's program.

This is a once-a-year opportunity for leaders in your Lions Club to observe, learn and put into action methods and experiences that will help your Lions Club to provide sight and hearing to those in need from your community.

What is the cost? 1) Your time and 2) Expenses for travel and lodging (see brochure for hotel rates). What is the benefit? 1) Your Lion leaders will bring back more enthusiasm and expertise for serving those in need 2) Leaders will have more ideas on what other clubs do to raise money and ways to serve better and 3) Attendees will actually see our medical facilities through the eyes of our doctors and hear what a positive difference YOU are making through Mid-South Lions.

Join me and the Lions of our four states at the 2015 Lion Leaders Weekend. You and the people you serve will be glad you did.

Leadership ? Service ? It's what Lions do !

"Leadership for Service", the theme for the 2016 Forum, reflects our goal of equipping our Lions to meet the Centennial Service challenge in performing 100 million acts of service.

Saturday afternoon will have three large service projects that every attendee will be able to participate in. Corresponding seminars have been added, teaching the skills and organization needed to better prepare service projects at the Club and District level.

Opening night, Thursday brings master illusionist and motivational entertainer, Billy Riggs. On Friday, Lion Jay Blake brings his drag race car "Follow a Dream" to the Forum, along with his amazing story of overcoming a blinding accident to follow his racing dream. Saturday we look forward to the inspiring words of our then International President, Cahncellor Bob Corlew. We finish the evening with Retired General Dick Abel, who after a long career of military, private sector and public leadership will be talking about the leader within each of us.

Lions L.E.A.D. Saturdays in June

Recycled Glasses Bring Sight to Senegal Scholar

Education can be the difference between struggling to make ends meet and securing financial independence. But poor eyesight can become a barrier to education one must overcome to see the board at the front of the classroom, write notes or read textbooks. Kadidja Aidara, a student pursuing her degree in biology at Cheikh Anta Diop University in Dakar, Senegal knows that all too well.

Throughout her life, Kadidja had maintained a strong focus in school. She studied hard, but difficulty seeing was making it more challenging for her to be successful in the classroom. Her mother took her to the eye doctor and Kadidja was prescribed glasses. Unfortunately, they could not afford the prescription.

A health screening day sponsored by non-profit Weer Africa in Bambilor, Senegal, however, changed Kadidja's life. Doctors with Weer Africa fit Kadidja for glasses and gave her a pair of donated and recycled spectacles from Saving Sight's Eyeglass Recycling Program.

"You could see the joy on her face. It's very rewarding how one pair of glasses will make her life better," said Fatou Faye, President of Weer Africa.

Kadidja excitedly told Fatou during the screening that day, 'I'm going to college now and hopefully I will do much better this year.'

Over 500 people attended Weer Africa's January 2 health screening in Bambilor, including the mayor. Participants were screened for a number of non-communicable health concerns and vision impairments. Saving Sight provided Weer Africa 160 pairs of glasses through our Eyeglass Recycling Program to distribute on the humanitarian trip.

"We love working with Saving Sight and hopefully we have a partnership that keeps growing," said Fatou. "It helps our mission so much. The glasses are the one thing they are excited about the most."

Fatou pointed out the average pair of eyeglasses costs around \$200. That cost puts eyeglasses out of reach for many in Senegal where a doctor may earn \$500 a month and a teacher may earn \$150 per month. With the help of Lions Clubs who donate used glasses they collect, Saving Sight's Eyeglass Recycling Program helps save sight for those who might not otherwise have access to corrective eyewear.

You can make a difference for people like Kadidja. Get involved with Saving Sight's Eyeglass Recycling Program in one of three simple ways.

- Donate your used eyeglasses at Lions collection boxes in your local community or send them to Saving Sight;
- Volunteer to help clean, read and process donated eyeglasses at the Lions Volunteer Center in Saving Sight's Columbia office; or
- Support the Eyeglass Recycling Program by making a financial contribution.

Thank You for Your Support!

Let's Connect at the MD26 State Convention

Saving Sight will be in attendance at the State Convention on April 29th and April 30th. In addition to telling you about our sight-saving programs, we'd also like to introduce you to Seymour (pictured in the KidSight logo at left). Seymour is the mascot of our KidSight vision screening program. At the State Convention, we will have Seymour car magnets for sale, with the proceeds supporting KidSight vision screenings in Missouri. So stop by our booth to say hello, make a donation in support of childhood vision screening, and you can take Seymour home with you.
